

Employee Payroll Deduction Agreement

Employees may elect to have memberships dues for themselves and their family deducted from payroll as long as at least one (1) adult employee ages 18+ participates in the payroll deduction program with the employer.

The employer is required to enroll as an employer group with Mint Health Clinics Lone Tree. Membership can start on any day of the month, and membership fees will be prorated for the start month.

Automatic bank draft, credit, or debit card can be used for payment. Invoices will be sent on the 1st of every month, with payments due on the 10th of every month.

Plan details are below.

Adult (ages 27+)	\$89/month
Couple	\$168/month
Child / Young Adult (ages 0 - 26)	\$29/month
Family (2 adults and 2 children or dependent young adults)	\$197/month

I, _____, the employee of _____, would like my monthly membership fee to be deducted and paid to Mint Health Clinics Lone Tree as of _____ (date).

This agreement will be terminated after one (1) calendar month upon termination of my employment, or formal agreement to terminate this document.

Per the agreement with my employer, the monthly amount that will be deducted from my check will be \$_____ per pay period.

The one-time enrollment fee of **\$99** per household for my membership will be paid by:

_____.
